Dear Parent/s and Guardians,

## Tattershall Farm Park:

Yesterday, we went to Tattershall Farm Park. We saw lots of animals and got a chance to hold lots of them. My favourite was the owl. We also had time for a quick play on the zip-wire, trampoline and indoor play centre. It was a really exciting day.

## Half Way through the Year Already?

What a way to end Term 3, half way through the academic year already. I am extremely proud to be the Headteacher of the Frithville and New York Federation. The pupils that attend both New York and Frithville Primary Schools are unique; as a result the teaching styles, experiences and environments are by design, unique, but reflect totally what the children need to enhance their learning.

- We are a team that has the backing of our children, parents, each other, governors, collaborative partners and extended communities.
- We are a team that supports our children, parents, each other, governors, collaborative partners and extended communities.
- We are a team that is constantly evolving and trying to improve the provision for all our children.

To see this recognised by my peers is wonderful... I do have the best job in the World! Thanks to you... All.
