LINCOLNSHIRE
LEARNING
PARTNERSHIP

Dear Parents and Carers,

What an amazing few weeks we have had... School Council's visits, Sportshall Athletics, Change for Life Festival and the Junior E-safety Training today. (More about that next week).

RAF Metheringham:

On Friday 16th November, Years 4, 5 and 6 went to Metheringham Airfield for a Wartime Christmas Workshop. This was a fun day held in an authentic 1940s gymnasium. The children took part in lots of activities including baking 'dig for victory carrot cookies', making Christmas decorations, wartime dancing and songs and games. They finished with a story underneath the Christmas Tree.

The children had a magnificent time and were brilliant throughout the day. Well done all of you!

School Council Visit:

On Tuesday we took four children from across the Federation to Spilsby Primary School for the on-going School Council Programme. For the this visit the focus was music, so the children learnt a song, listened to Vivaldi and then composed their own pieces. A most excellent morning, apparently only spoilt by my choice of music in the car...

Change for Life Festival:

We took 23 children from across the Federation yesterday to the Peter Paine Sports Hall to take part in a multitude of sporting activities, where all the children were involved. They were using a variety of skills and techniques that could be transferred to many sports. Well done all of you!

Christmas Card Competition:

This week in assembly I introduced the annual Christmas Card Competition. The winner of the competition has their card printed and we use it for all the friends and associates of the school, they also receive 20 copies of their card and a £10 gift voucher... All year group winners also receive a prize. The closing date is Friday 30th November.
