## Dear Parents and Carers:

### New York Summer Fayre:

A huge thank you to the PFTA and all the parents and staff of New York Primary School for the brilliant effort last week at the summer fayre. It was a wonderful afternoon of fun, music and laughter, with a tremendous amount raised... Thank you!

### PTFA

I would just like to thank very much all of the Committee that helped to organise and worked tirelessly to make the summer fayre such a great success. I would also to thank the school staff and everyone who helped us on the day. Lastly to thank very much the parents whose fantastic support helped us raise £317.00.

Once again thank you **All** very much.

### E-safety:

Actually... the internet is an amazing resource and to be honest we would be completely lost without it. So after all the warnings and red flags it is wonderful to celebrate and advertise something, balancing the negativity with a good tech story. I love Google Earth, it's an amazing tool, excellent for planning trips and holidays. Recently Google earth has been updated with new educational tours and lesson plans. Called 'Voyager', there are guided tours of places from scientists, non-profits and others. Have a look at the link for more information.
