Did you know?
October - The eighth month?
 October is the tenth month of the year in the Julian and Gregorian Calendars, however October means "eighth month", as it was originally the eighth month on the ancient Roman calendar.

Dear Parents and Carers,

Best ever performance by our girl's football team!

Girl's Football Tournament:

On Monday, we took a joint New York and Frithville team to the Peter Paine Sports Centre in Boston. The Girls were magnificent, considering they have not played together before this tournament. Eighteen teams took part and for the first time NY/FV won a game... But not just one:

G1 won 3:0; G2 lost 0:1; G3 drew 0:0; G4 won 4:1; G5 drew 0:0.

Katie Wells:

Today we have been tremendously lucky to have Katie Wells, U19 England Squash International visit both New York and Frithville. Katie is a local girl who attended Partney Primary School and then Banovallum. She plays and coaches at Horncastle Squash Club. She has made amazing progress over the last few years, rising to 185 in the world rankings. Katie gave a presentation at both schools and has been working with small groups throughout the day on a variety of squash skills and fitness work.
