Dear Parents and Carers,

Happy New Year!

Our value for this half term is "Patience"...

The capacity to accept or tolerate delay, problems, or suffering without becoming annoyed or anxious.

Ringing in not only the New Year, but a new decade is cause for celebration, for spending time with friends and family, and for looking back. A time of new beginnings and fresh starts, a time of reflection. We have been an Academy and part of the Horncastle Education Trust for a year; how that year has flown by. A great deal of hard work has been done and continues to be done behind the scenes to ever improve the wonderful children we are responsible for... We are not perfect and there are always ways in which we can improve... There is always time for reflection!

Spring 2020, what a term we have planned! What a start! Year 4 Sportshall Athletics today, Year 3 gymnastics development day and Junior e-Safety Trip to Toynton All Saints on Monday and the School Council Trip to Kidzania in London on the 22nd January...

Class 1:

This term our Science topic is Animals and Humans. We are very excited to compare wolves with humans and learn all about them. In Geography we are comparing Boston with New Delhi, the capital city of India. Sunita Patel will be visiting us on Monday to talk about living in India and England. We will also be doing some Indian dancing. In Art we will be using different mediums; including paint, pencil drawing, collage, clay and printing on material. What a fun term we will have!

Please remember to bring your reading books to school each day. It is very important we have them in school to read at any time. Thank you for your support.

Class 2:

We have already got off to a busy start this term. In maths, we have been continuing our work with fractions and will move on to focus on the four operations of addition, subtraction, multiplication and division, using our skills to solve real-life problems. Our English work for the first few weeks will be based around the story 'How To Train Your Dragon' by Cressida Cowell. In history, we are learning about the Vikings and their invasion of England as well as the Anglo-Saxons kings of that time.

After-school Clubs:

Wednesday - Netball
Thursday – Multi-sports

Swimming:

This half term years 1, 2, 5 and 6 are swimming.

Headteacher Awards:

Ciaran Parnham	Participation in class discussion
Luke O'Neill	Facts about Noah's Ark
Freyja Newman	Independent maths work
Alesha Bedwell	Fantastic maths work

House Point Winners:

The Green Emeralds
& **The Blue Sapphires!**
