Dear Parents and Carers,

What's on...

Class 1:

This term we will be reading different stories from Africa, looking at non-fiction and poetry. In Maths we are revisiting number and then learning about money, time and statistics. It would be really helpful if you played with and used coins at home and out and about, and if you could talk about the time. We are learning about Queen Elizabeth II in History and continuing to learn about humans and animals in Science. In Art, we will be looking at the work of the British sculptor Andy Goldsworthy. Please remember that we share homework on a Thursday. The children really enjoy sharing the tasks they have done. Not all activities can be recorded on paper so you can send a photograph by email. Many thanks for your continued support.

Class 2:

We have begun our English work this half term, based on a short film - 'The Dream Giver'. The children have already started to create their own brilliant descriptive writing. In Maths, our focus skills this term are fractions, decimals and shape. Our geography work will focus on cities and counties of the UK and we will continue our theme of Islam in RE, finding out about the celebration of Eid-al-Adha.

Netball:

On Tuesday evening we took our netball team to the Peter Paine Sports Centre for our very first tournament.

The children were brilliant, we took a mixed yr 3-6 team, and were competing against yr 5-6 teams, where height does make a difference – as you can see in the photos...

A huge thank you to Miss Evans for organising the netball club each week.

Tuesday 21st July 2020

Start of term 1 & Academic Year 20/21

Thursday 3rd Sept 2020

Uniform and PE Kits:

Could I please remind parents about school uniform and PE kits...

We do try to keep the uniform and PE kit as simple as possible, to keep the cost to you as cheap as possible. Hoodies and trainers are not part of the school uniform, they can be part of the PE kit. If we start to accessorise the school uniform and it becomes a fashion/brand catwalk, then it becomes more expensive and more problems will arise.

World Book Day:

Next Friday is "World Book Day". We will be having a non-uniform day; wear pyjamas and bring a bedtime story, or come as your favourite children's book character
