Dear Parents and Carers,

It is wonderful to be back...

What an amazing week, to see the children of both schools return to school, back into routine, back learning, back playing has been truly inspirational. They have taken everything in their stride showing outstanding resilience. I have spoken to many parents this week and many have said that it was like Christmas Eve on Sunday, with the children so excited about coming back to school; they couldn't sleep. There are going to be many tired children tonight... and staff.

We are getting back to some kind of normality, but still mindful of the COVID restrictions that are still in place both in school and out. By working together locally and nationally, hopefully we will be able to keep to the timetable of recovery and an end to the restrictions.

Our "Value" for this half term in "Justice" and many of my assemblies and class discussions will be based on this. As you will see opposite with the number of Headteacher Awards and the photos below, the children have come back with an amazing willingness to learn and achieve.

Thank you again for all your support, take care, have a wonderful weekend and please stay safe...

Headteacher Awards:

Paris Jackson	Brilliant teamwork & problem solving maths skills
Matthew Bedwell	Brilliant teamwork & problem solving maths skills

Start of Term 5	Monday 19 th April 2021
May Bank Holiday	Monday 4th May 2021
End of Term 5	Friday 28 th May 2021

Comic Relief...

Friday 19th March 2021

Next Friday will be Non-uniform Day.

Our first event for quite a while!

Children can come to school in ordinary clothes, or dressed as their favourite "Super hero". This doesn't have to be a comic book or film hero, it could be a keyworker for example.

There is no need to buy a special costume for the occasion.

All donations can be made via ParentPay.

Thank you for all your support.
